Message from Principal Pfannmuller:

It is hard to believe that two months of the school year has already passed! SCS has had an excellent start to the 2020-2021 school year. Staff and students are so happy to be back together and learning! Students participated in the annual Terry Fox Run, utilizing our scenic trails as our route! Students also had the opportunity to participate in age appropriate Orange Shirt Day activities on September 30 to honour Indigenous children who were sent away to residential schools in Canada and learn more about the history of those schools.

A virtual Halloween parade will be held on October 30 in the afternoon. All classes will have the chance to watch the classroom parades of their school peers. We look forward to seeing all of the creative costumes!

Virtual parent teacher conferences are scheduled for November 2 and 3. Please call the school to set up a meeting time with your child(ren)'s teachers.

On November 4, students will participate in a virtual Remembrance Day assembly to honour and remember the members of the armed forces who have died in the line of duty.

As we enter into the winter months, please ensure your children are properly dressed for outside play time as well as bus rides. In some cases, you may wish to send more than one pair of mittens or gloves for your child for the day as they often get quite wet during the recess breaks.

I look forward to the next quarter of learning with our students. Please feel free to reach out to me should you have any questions or concerns about your child's education.

Book Fair

Sangudo Community School is excited to announce we will still be hosting a Scholastic Book Fair at the school AND through a Virtual Link (posted below), the week of Monday, November 2nd through until Thursday, November 5!

Students will wear a mask while looking at all of the options and they will make a wish list (with prices) to bring home to their parents or guardians. The next day students can bring money along with the list of items you would like them to purchase. Those items will be gathered and delivered to the students to bring home. There will also be a VIRTUAL Book Fair option this year, where you and your child(ren) can shop from home using this link for the 4 days that anyone can use, so please share with friends and family! These items will be directly delivered to your mailing address. If you spend over \$35, shipping is free! The site will only work from Nov. 2-Nov. 5th!

Virtual Link:

Budget 2021 Engagement Opportunities

Demonstrating its fiscal responsibility, the Alberta government has launched a [Budget 2021 consultation process](#). Through an online survey, telephone town halls, and an open submission process, the government hopes to uncover Albertan's priorities about:

1. reducing costs
2. prioritizing how revenue should be spent
3. seeking opportunities for saving
4. looking for ways to strengthen the economy

The [online survey](#) closes December 4, 2020, with participation details on three 6:30 to 8 p.m. telephone town hall meetings, slated for November 30, December 2 and December 3, to be announced closer to the events.

Organizations also are invited to provide feedback by emailing their submissions directly to: budget.feedback@gov.ab.ca. In November, the government will bring back its 'build a budget' tool, allowing Albertans to make choices on spending and revenue, and then see the impacts their decisions have on debt and deficit. Budget 2021 will be released in February 2021.
